Custom firearms built for the hunter . . . by the hunter.

That's been the passion guiding MG Arms for over 40 years. Carol & Kerry O'Day have been building the perfect firearm since 1980. Kerry is a devoted and innovative gunsmith who honed his craft by training with two of the great master gunsmiths: P. O. Ackley and Ron Freshour.

Carol's custom stock work is without peer and includes checkering, wood finishing and custom camo patterns that truly makes each firearm a work of art.

Our business is dedicated to building the perfect firearm that matches your individual style and needs. Whatever the situation, wherever the terrain, MG Arms will craft the perfect custom firearm to meet your shooting requirements.

This is our passion. This is our life.
